You can [start a 30-day free trial of any plan from our website](#).

The trial version of the software is exactly the same as the paid version, so you have full access to all features, functionality, and support. If you choose to upgrade to a paid plan, you keep the same account so you won't lose any of the work. You can choose to continue using your trial knowledge base, or delete it and start over. Whatever works best for you.

When your trial is over, you can choose to extend it another 30 days or upgrade to a paid account. [Contact us](#) if you need to extend your trial a second time; we are happy to help in any way we can!

Unless you specifically request your account to be deleted, we keep all trial accounts for at least six months.
