

Pricing

Last Modified on 02/01/2024 2:45 pm EST

We try to keep our pricing as simple and transparent as possible. The price you pay is primarily based on two things:

- Number of knowledge bases (web sites)
- Number of authors (people who create and manage your content)

All features are available at all plan levels, including:

- Unlimited readers (people who can view your knowledge base)
- Unlimited categories and articles
- Unlimited files and images
- Unlimited file and storage space
- Unlimited views of your content

You can [view current pricing on our website](#) or [contact us](#) to discuss a customized plan. Our pricing does increase from time to time, but we track the pricing you had when you started so we can continue to offer you legacy pricing even if prices rise in the future. It's one way we can say thanks for being a loyal customer. :)

We offer 10% discounts for annual payments and 25% off annual account for non-profit organizations.
