Feature Requests

- **Import glossary terms in bulk**
- **Ability to set from/reply to for comment notification emails**
- **Remove the quick delete option for snippets so you have to confirm deletion**
- **Ability to restrict access to SSO while still allowing reader login**

Bug Fixes

- **The new editor was missing options on smaller screen sizes. Now the responsive styles show all options.**
- **Scrolling was buggy in Custom CSS and HTML when you have a lot content.**
- **Scrolling was similarly buggy in large snippets.**
- **Style blocks were breaking in the new editor.**
