

# February 1, 2018

Last Modified on 12/28/2022 12:24 pm EST

## Feature Requests

- Switch magic wand styles from paragraph styles to div styles
- Added the ability to create webhooks for specific categories
- Added code syntax tool to new editor

## Bug Fixes

- Added gridlines when inserting a table (border by default)
- Blockquotes were purple in the editor

## Misc

- Updated to new version of the new editor
-
