knowledgeowl

July 21, 2018

Last Modified on 12/28/2022 12:24 pm EST

Feature Requests
- Added back the ability to have capital letters and periods in permalink redirect URLs.
- Added a new landing page for deleted/cancelled/non-existent knowledge base URLs.

Bug Fixes
- Articles with hidden from search displayed in related articles
- Fixed an issue with remote suggest and reader group restrictions
- Images weren't caching properly
