

# What types of discounts are available?

Last Modified on 02/01/2024 2:38 pm EST

The following discounts are available for annual subscriptions:

- 25% off annual subscriptions for non-profit organizations
- 10% off annual subscription for all other organizations

These discounts can both be accessed in your **Account** (accessible by clicking your **profile icon/name** in the upper right and selecting **Account**).

The 10% annual discount is automatically applied when paying via credit card in the application. To get the 25% non-profit annual discount, check the box confirming you are a non-profit prior to paying. If you forgot to check the box, [contact us](#) so we can fix your subscription and apply a credit to your account.

When paying by invoice, we will automatically apply the 10% discount. Please let us know if you qualify for the 25% non-profit discount when requesting an invoice.
