March 11, 2019

Last Modified on 12/28/2022 12:24 pm EST

Features / Enhancements

- Added support for unauthenticated SMTP servers to be able to send reader subscription emails
- Added a new article merge code to populate the full URL to the current article -- https://support.knowledgeowl.com/help/march-11-2019

Bug Fixes

- Autosuggest search was not working
- Larger file uploads were sometimes being corrupted when uploaded to the file library
