

Add images and files to articles

Last Modified on 12/23/2025 11:06 am EST

Images, screenshots, and sample files can add examples and detail to your documentation. KnowledgeOwl includes unlimited storage for any file up to 200MB in size.

Follow these instructions to add images, videos, and files to your articles:

- [Add images to articles](#)
 - [Add videos to your articles](#)
