Check if an article or category is restricted to reader groups

Last modified on 07/09/2026 12:23 pm EDT

Follow the instructions on this page to check if an article or category is restricted to reader groups.

The information below varies based on whether you're using our 2026 new editor or old editor.

To figure out which instructions to follow:

1. Open any article for editing.
2. If the lefthand navigation is collapsed and there's a link near the top of the page to **Switch to old editor**, follow the **New editor** documentation.
3. If the lefthand navigation is expanded and the top of the editor and the righthand column have a heavier grey background, follow the **Old editor** documentation.

Here are side-by-side examples of the new editor and the old editor:

We'd love your feedback on the new editor. To switch to the new editor, open any article for editing and select the **Switch to new editor** link at the top of the editor.
