Thanks for using KnowledgeOwl! We are so grateful to have you as part of our community. To show our appreciation, we are planting a tree just for you.

This year we became members of 1% for the Planet and seed partners of Eden Reforestation Projects (more info below if you are interested!) For this holiday season, we are committing to planting a tree for every single KnowledgeOwl author.

We hope your holiday season is filled with family, friends, love, laughter, and joy --- and maybe even some quality time in, under, or around trees (we hear owls love trees). ☒☒

If there's anything we can do to make your KnowledgeOwl experience better in the upcoming year, please [contact us](#) and let us know how we can help.

Here's to an amazing 2022! HOOT!!!

More About 1% for the Planet and Eden Reforestation Project

KnowledgeOwl is proud to be a member of [1% for the Planet](#), an international nonprofit organization where businesses and individuals pledge to give 1% of their annual sales or salary to approved environmental organizations. As part of our pledge, we've chosen to become a partner of [Eden Reforestation Projects](#), a nonprofit that aims to reduce extreme poverty and restore healthy forests by employing local people to plant millions of trees every year. This program and partnership is part of KnowledgeOwl's mission to make life better for ourselves, our teammates, our customers, and our communities too.
