

# Embrace your Geekness Day bug fixes

Last Modified on 12/28/2022 12:24 pm EST

Today is apparently "Embrace your Geekness" Day, so if you are a total geek about...well, anything--embrace and celebrate it today!

We released fixes for a couple bugs last night:

- In [Manage articles](#), some CSV exports that included tags were failing to generate. We've fixed this so all [Manage CSV exports](#) should complete properly.
  - When viewing the origin category of a [shared content category](#), the Resync Children option was erroring. It should now complete successfully.
-
