In-app delight, because we ♥ you.

## **Party with Linus**

In the **Delight** option under your **profile icon/name** in the upper right, we currently have one option for app delight: **Party with Linus**.

If you check the box to "Enable fun random images of Linus in the top left corner of the navigation bar" and **Update**, we'll update this version of Linus:

With a different random Linus as you navigate through pages.

You can hover over the random Linuses to zoom in and see him in all his cosplay glory, too:
