

Switch from yearly to monthly subscription

Last Modified on 04/16/2025 11:37 am EDT

If you're already on a yearly subscription, you can switch to a monthly subscription.

Please email us at billing@knowledgeowl.com if you would like to switch from a yearly to a monthly subscription. Our billing owls will walk you through what that process looks like, what you'll be charged, and when.

You don't have to switch from a yearly to a monthly to cancel your subscription. Refer to [Cancel my account](#) for instructions on cancelling.

No yearly discount

If you switch to a monthly subscription, you'll no longer receive the 10% discount.
